
SEATTLE ELKS HONOR SISTER ALICE LLOYD

Alice Lloyd, star of "Little Miss Fix It," now being presented at The Metropolitan, and who has the distinction of being the only "lady" Elk, was honored by the Seattle lodge last night by the attendance of her performance of several hundred Elks in a body. The Metropolitan was beautifully decorated in recognition of the occasion.

Miss Lloyd received from the lodge a tremendous basket of flowers, with which was a note of greeting from her Seattle "brothers." In an intermission the Elks joined in "Auld Lang Syne," and they found Miss Lloyd just as appreciative and enthusiastic a listener as they had been for her.

At the reception for the Portland Elks this evening Miss Lloyd will be received at the Elks Club, and will be introduced to the members of both lodges by Exalted Ruler E. B. Herald.
